Write –Up: Beti Bachao Beti Padhao Program

DATE: - 15th Jan, 2022 (Saturday) at 11:00 am.

“Beti Bachao Beti Padhao” Program was conducted by the MBA I & MBA II year Students. It is Street play Activity. 25 number of participants attended the workshop.

The objectives of this initiative are:

- Prevention of gender biased sex selective elimination
- Ensuring survival & protection of the girl child
- Ensuring education and participation of the girl child

Beti Bachao Beti Padhao program is a nationwide scheme launched purposefully to address the issue of decreasing girl child ratio in the society as well as empowering girl child in the country. This scheme was successfully launched by the Indian Prime Minister Narendra Modi on 22nd January in 2015 Panipat, Haryana . This scheme is to make people aware of the importance of girl child in Indian society as well as bring some positive changes in the people mind set towards a girl child .people in the Indian society have very rude mindset about the girl child . They think that girls are like burden in their life. However it is not possible girls occupy almost half responsible for the existence of life on the earth. Suspense of life existence on the earth as where there is No woman No new birth would be the ratio of girl child decreasing Day by day as per boys ' So, this scheme has been launched by keeping in mind to prevent sex termination, female

feticides, save girls, child ensure safety of girls ,as well as provide educational facilities to them .

Write –Up: Self Defense Training Under "Nirbhay Kanya Abhiyan"

DATE: - 22nd Jan, 2022 (Saturday) at 10:00 am.

Self Defense Training under Nirbhay Kanya Abhiyan was conducted by Mrs. Aarati Malla on **22nd Jan, 2022 (Saturday) at 10:00 am.** 27 number of participants attended the workshop.

Self-defense, especially for women is of prime importance due to the world of power imbalance that we live in today. She Taught Many Things are as follows:

It will be hard to see and hear, and complex martial arts techniques may be impossible to perform. If you stick with proven strategies and simple gross-motor-movement techniques — such as the 10 described here — your chance of surviving will increase drastically

- Trust your instincts
- Practice target denial
- Present yourself with confidence
- Set strong verbal boundaries
- Maintain a non-confrontational stance
- Keep a safe distance
- Use the element of surprise
- Keep your techniques simple
- Don't panic if you're knocked down
- Follow through

Basics of the self-defence system, how should one react in an unfriendly situation?

- Prominent and easily accessible vital points in human body.
- Striking and defensive techniques.
- Fighting stances.

- React and deter the intents.
- Scenarios based attack defence techniques (how people reacted and how should one react).
- Tackle multiple attackers
- Self-defence options.
- Pepper spray and stun guns.

Personal Safety Guidelines:

- This will include in brief the rights that are enjoyed by Women.
- At home.
- Walking.
- Vehicle Safety.
- Public Transport
- Outstation travel.
- Hotel Safety.
- At social gatherings.
