**Write –Up: Environment Promotion Beyond the campus (Word Environment Day)**

**DATE: 5th June 2022.**

On this occasion of Word Environment Day Director Dr. Dhanawade address the students the need of Environment Promotion. Dr. Sunil further explains some of the ways to practice environmental awareness include: using safe and non-toxic building supplies, conserving energy and water, recycling, activism, and others.

He further added how will students Promote environmental conservation by Recycle, More Often Recycling is a simple, yet effective way of conserving resources and reducing your individual carbon footprint. Rather than throwing everything in the trash, separate your plastic, paper, and metal waste, and deposit it in a recycling bin.

At the end of the Environment Promotion activities Director explain variety of environmental topics, including reducing waste, reducing toxicity and hazardous waste, air, energy conservation and climate change, protecting land and water, and reducing food waste.

Faculty member's non teaching staff and students from DYPCMR are present on the occasion of Environment Promotion activities beyond the campus.

On this day DYPCMR organized Environment Promotion Beyond the campus. At the First student carry tractor and trolley to collect garbage and wastage from roads and also from few nearby societies. Peoples and society Members appreciate the students and faculty members for their Environment

Promotion. After that student do plantation on barren land outside campus. These initiatives keep the environment clean and maintain the life's support.

Total no. participants: 35
