Write –Up: “Independence Day”

DATE: - 15th Aug 2022 at 7.30 a.m.

The Independence Day of India, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

The events of the day start with the hoisting of the National Flag.

Director , Dr.Sunil Dhanawade sir gives a speech about the struggles and achievements of our freedom fighters, who are the reason behind the independent country. Some students deliver the speech . even some students sing songs for our nation. Last but not least event end with distribution of sweet. 22 students attended this event.

Write –Up: “Human Values and Counselling”

DATE: 27th June 2023 (Tuesday) at 11:00 am.

Session on “Human Values and Counselling” by Dr. Vaidehi Janjale, Founder Director of Brilliant Mind Counselling, Healing and Training center on Tuesday, 27th June 2023 at 11:00AM. Mam has explained about “Human Values and Counselling”.

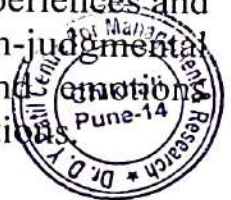

Human values are the intrinsic qualities that shape our behaviors, decisions, and interactions. They encompass a broad spectrum of virtues, including honesty, empathy, kindness, patience, tolerance, and responsibility. When integrated into counseling practices, these values create an environment of trust, safety, and understanding, enabling clients to open up and work towards resolution.

In the realm of mental and emotional well-being, the integration of human values within the practice of counseling plays a profound role in fostering positive change and growth. Human values, encompassing principles such as empathy, integrity, respect, and compassion, are the moral compass that guides both counselors and clients toward healthier and more fulfilling lives. The synergy between human values and counseling forms the foundation for a therapeutic relationship that promotes personal development and holistic healing.

Role of Human Values in Counselling:

Empathy and Compassion: Empathy, the ability to understand and share another's feelings, lies at the core of effective counseling. Compassion, coupled with empathy, establishes a genuine connection between counselor and client, facilitating a space where individuals feel heard and validated.

Respect and Non-judgment: Respect for clients' unique experiences and perspectives creates an atmosphere of acceptance. Non-judgmental attitudes encourage clients to express their thoughts and emotions without fear of criticism, leading to more authentic conversations.

Integrity and Trustworthiness: Counselors who uphold the value of integrity exhibit honesty, consistency, and ethical behavior. This fosters trust in the therapeutic relationship, encouraging clients to open up about their challenges and work collaboratively towards solutions.

Patience and Understanding: Many individuals seeking counseling are grappling with complex issues that require time to explore and address. A patient and understanding approach from counselors allows clients to navigate their emotions and circumstances at their own pace.

Empowerment and Growth: Values such as empowerment and growth guide counselors in supporting clients' journey toward self-discovery and positive change. By helping clients recognize their strengths and potential, counselors promote personal development and self-efficacy.

Counseling as a Vehicle for Value-based Guidance: Counseling provides a structured and safe environment for individuals to explore their thoughts, feelings, and challenges. Integrating human values within this framework enriches the counseling process in several ways:

Ethical Framework: Values serve as a moral framework for counselors, aiding in decision-making and ensuring ethical conduct throughout the therapeutic journey.

Value Exploration: Clients are encouraged to identify and align their personal values with their goals, aiding in decision-making, and promoting a sense of purpose.

Conflict Resolution: Values-focused counseling helps clients navigate moral dilemmas and conflicting emotions, fostering a balanced approach to resolving inner conflicts.

Write –Up: Self Defense Training Under "Nirbhay Kanya Abhiv

DATE: 23rd June 2023 at 10:00 AM.

Self Defense Training under Nirbhay kanya Abhiyan was conducted by Mrs. Aarati Malla on 23/06/2023 at 10:00 am. Self-defense, especially for women is of prime importance due to the world of power imbalance that we live in today. She Taught Many Things are as follows: It will be hard to see and hear, and complex martial arts techniques may be impossible to person. If you stick with proven strategies and simple gross motor-movement techniques - such as the described here - your chance of surviving will increase drastically

- Trust your instincts.
- Practice target denial.
- Present yourself with confidence.
- Set strong verbal boundaries.
- Maintain a non-confrontational stance.
- Keep a safe distance.
- don't panic if you're knock.

Basics of the self-defense system, how should one react in an unfriendly situation?

- Prominent and easily accessible vital points in human body
- Striking and defensive techniques.

- Fighting stances.
- React and deter the intents
- Tackle multiple attackers

Personal Safety Guidelines:

- This will include in brief the rights that are enjoyed by Women.
- At home.
- Walking.
- Vehicle Safety.
- Public Transport
- Outstation travel.
- Hotel Safety. .
- At social gatherings.

Write –Up: “World Environment Day”

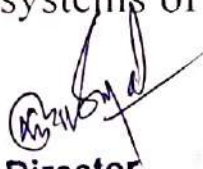

DATE: 5th June 2023.

According to the environmental protection agencies, planting trees is a must if we want to save our planet. Trees not only remove harmful chemicals from the soil, but also help reduce the greenhouses leading to global warming. In Indian culture the trees have been worshipped since the Vedic era. This was the time when human and nature were in synchronization with each other, no one harming one another, World Environment Day is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purposes, It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds.

However with the changing times human greed has taken over its greed and now environment is showing its wrath all over the globe manifesting itself in the form of global warming, floods, drought, earthquakes etc.

With an impetus to carry forward its services for the betterment of the society, DYPCMR organized World Environment Day students planted many trees to keep the environment clean and maintain the life's-support systems of the planet Earth.

Write –Up: “Beti Bachao Beti Padhao & Disaster Management”

DATE: 6th May 2023 (Saturday) at 10:30am.

VENUE: DYPCMR

Activity On “Beti Bachao Beti Padhao & Disaster Management” will be conducted on 6th May, 2023 (Saturday) at 10:30AM. The resource person is Prof. Dipak Pandita.

Beti Bachao Beti Padhao (Save the Daughter, Educate the Daughter) is a significant initiative launched by the Government of India to address the declining child sex ratio and promote gender equality. The campaign was launched on January 22, 2015, with the aim of raising awareness about the importance of girls' education and the need to combat female foeticide, infanticide, and gender-based discrimination.

The main objectives of the Beti Bachao Beti Padhao initiative are:

Preventing Gender-Based Discrimination: The campaign seeks to eliminate gender stereotypes and discriminatory practices that lead to the neglect and marginalization of girl children. It emphasizes the importance of treating girls and boys equally and providing them with equal opportunities.

Improving Child Sex Ratio: One of the core issues the initiative addresses is the declining child sex ratio in various parts of India. Through awareness campaigns and policy measures, the program strives to encourage families and communities to value the birth of a girl child as much as that of a boy.

Promoting Girls' Education: Beti Bachao Beti Padhao underscores the importance of education for girls. It aims to increase enrolment and retention of girls in schools and colleges and ensure their holistic development through quality education.

Disaster Management: Building Resilience and Preparedness:

Disasters, whether natural or human-made, can have devastating impacts on communities and regions. Effective disaster management involves a combination of preparedness, response, recovery, and mitigation measures to reduce the loss of lives and property. India, being prone to various types of disasters such as earthquakes, floods, cyclones, and industrial accidents, places great emphasis on disaster management strategies.

Key aspects of disaster management include:

Preparedness: This involves creating awareness and educating communities about potential hazards, developing emergency plans, conducting drills and exercises, and ensuring that essential resources and facilities are in place to respond effectively.

Early Warning Systems: Timely information about impending disasters is crucial for saving lives. Early warning systems use technology and communication networks to alert communities about approaching hazards, giving them sufficient time to evacuate or take protective measures.

Response and Relief: When a disaster strikes, a coordinated response is vital. This includes deploying emergency services, providing medical aid, search and rescue operations, and distributing essential supplies like food, water, and shelter to affected populations.

Recovery and Rehabilitation: After a disaster, communities need to recover and rebuild. This phase involves restoring basic services, infrastructure, and livelihoods, while also addressing the psychological and social impacts on individuals and communities.

Under the program all the students from MBA and MCA.DYPCMR has taken part in this drive.. Prof. were an essential part of this drive. As a part of this Cleanliness Drive, We had to clean the whole college. The teachers and students followed the activity.

Some of us picked brooms and started our job. Some of the students did the dusting of the rooms. And others went to the corridor and started picking wrappers lying scattered there. After collecting them they threw them into the dustbins. After doing this job for two or three hours, we all assembled in the seminar hall.

There we were given refreshment. Thereafter Dr. Sunil Dhanawade Director delivered the speech telling students the importance of sanitation. He also honored the sweepers of the college for their noble job. In the end, we all took the oath of keeping our home, locality, and city clean. It was a unique experience for all of us.

We were glad to be the part of this great drive that could have transformed the face of our country forever. As such 'Swachh Bharat

Abhiyan' was a great success in our College. We try to put more and more efforts to make it a grant success for the next academic year.

Write –Up: “Tree Plantation Program”

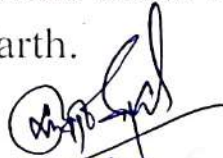

DATE: 17th April 2023.

According to the environmental protection agencies, planting trees is a must if we want to save our planet. Trees not only remove harmful chemicals from the soil, but also help reduce the greenhouses leading to global warming. In Indian culture the trees have been worshipped since the Vedic era. This was the time when human and nature were in synchronization with each other, no one harming one another, Tree planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purposes, It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds.

However with the changing times human greed has taken over its greed and now environment is showing its wrath all over the globe manifesting itself in the form of global warming, floods, drought, earthquakes etc.

With an impetus to carry forward its services for the betterment of the society, DYPCMR organized Tree Plantation Drive with 40 saplings on 17th April the faculty members and students planted many trees to keep the environment clean and maintain the life's-support systems of the planet Earth.

Write-Up: "Mahatma Phule Jayanti Day Celebration"

DATE: 11th April 2023 at 11:00 am.

Jyotiba Phule or Jyotirao Govindrao Phule's birth anniversary is celebrated every year on April 11 as he was born on this day in 1827. Born in Maharashtra, Mahatma Jyotiba Phule was an anti-caste social reformer and is remembered for his works and fight as a social reformer.

The title of Mahatma was given by social reformer Vithalrao Krishnaji Vandekar to Jyotirao Phule. It was given a few years before his death at the age of 63 in recognition of his efforts to fight the evils plaguing Indian society at the time.

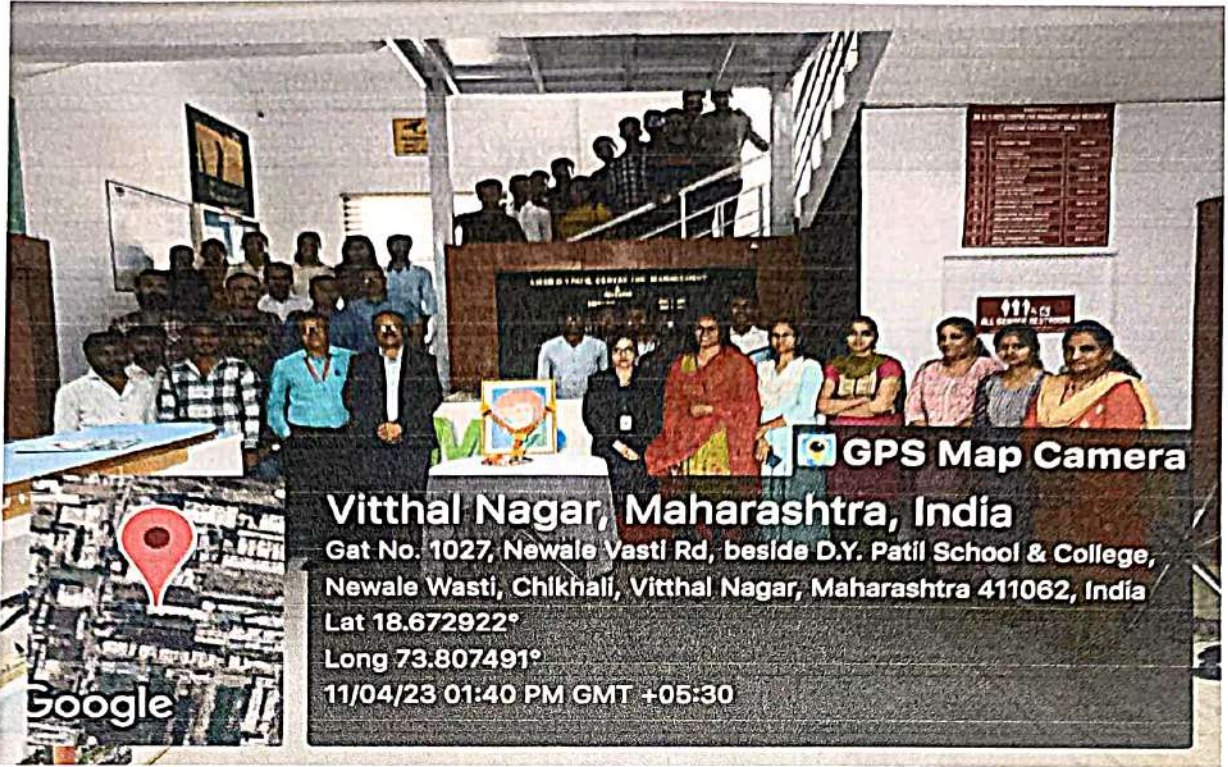

The program started around 11:00 am, worship of Mahatma Phule photo done by Dr. Sunil Dhanawade Sir Director of DYPCMR . 26 students present for this event.

Write –Up: “Grooming Session on Personality Development”

DATE: 25th Feb 2023 at 10:00 am.

Grooming Session on Personality Development by Mr. Kamlesh Gadge, he said is to improve and change inner traits like Attitude, Confidence, Deportment and Perception. It also comprises of improving physical appearance, grooming body language and will help to improve your conversation for better speaking and betterment of voice.

Self-introduction a deep understanding of yourself will greatly help us because by understanding we can use the maximum potential to achieve the purpose of life that we desire

Body language the key thing here is to ensure your gestures are meaningfully related to what you're saying So that it builds up your confidence and makes you the best.

Stage fear it will help you a lot to build your confidence and recognize your fears and deal with them, so that you can be on the stage keeping all the fears inside you aside and give your best.

Write-Up: “Beyond Environment Promotion Activity (Tree Plantation)”

DATE: 23rd Feb 2023(Thursday).

Faculty and student of MBA & MCA has gone to Durga Tekdi, Nigdi Pune for tree plantation.

Planting trees is a must if we want to save our planet. Trees not only remove harmful chemicals from the soil, but also help reduce the greenhouses leading to global warming. In Indian culture the trees have been worshipped since the Vedic era. This was the time when human and nature were in synchronization with each other, no one harming one another, Tree planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purposes, It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds.

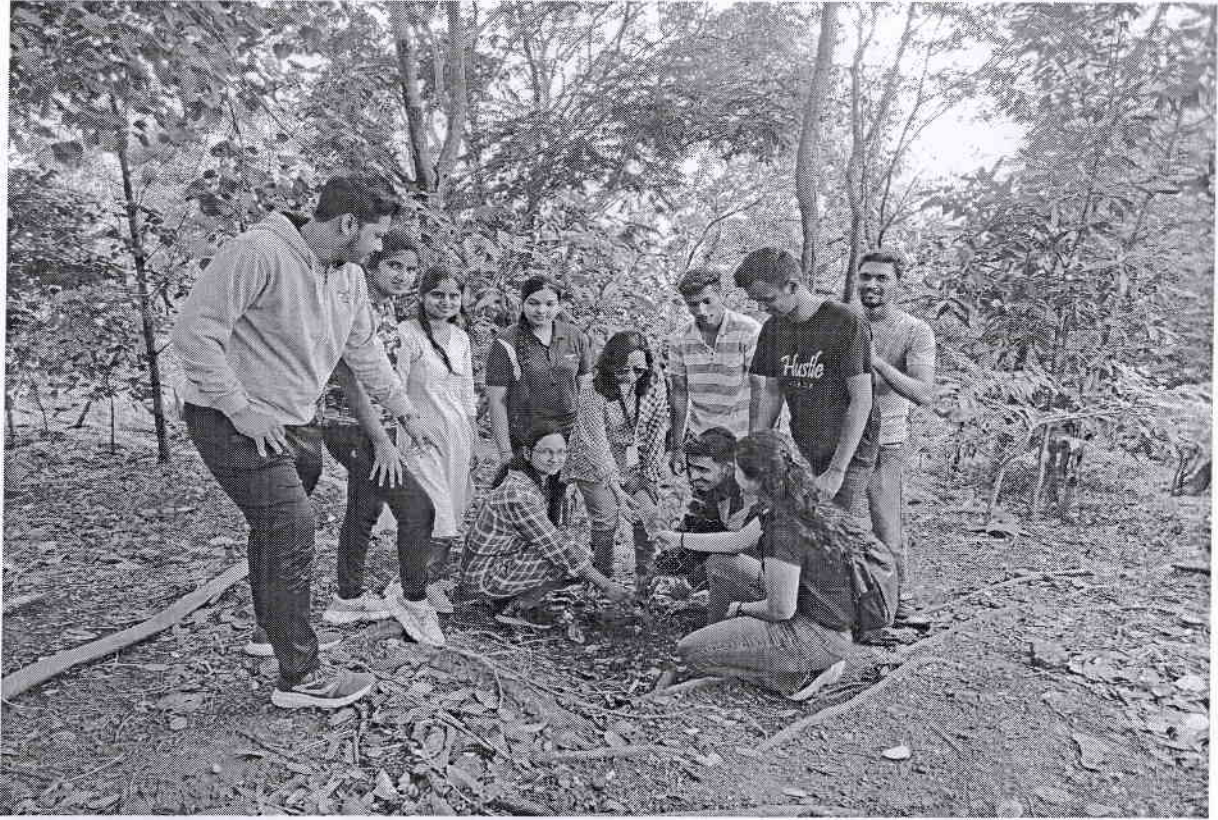

However with the changing times human greed has taken over its greed and now environment is showing its wrath all over the globe manifesting itself in the form of global warming, floods, drought, earthquakes etc.

Write –Up: “International men’s Day Celebration”

DATE: 19th Nov 2022 at 1:00 PM.

It's International Men's Day 2022 today. This day is celebrated to know the importance of men in the progress and development of families, communities, and civilizations. Here's all you need to know about International Men's Day.

International Men's Day has following primary objectives. They are as follows:

- To promote influential men from various walks of life.
- To celebrate the male contributions to families, societies, communities, and the environment.
- To create awareness about men's health (physical and mental) and wellbeing.
- To highlight discrimination against men in social attitudes, expectations, and law.
- To enhance gender equality.

The program started around 1:00 pm, Dr. Sunil Dhanawade Sir Director of DYPCMR welcomes and felicitated to the all the men's, and program is closed with Cake Cutting and giving a gift token to every one. 67 students are present for this event

Abhiyan”**

DATE: - 1st Oct 2022 9.30AM

Public sanitation was a subject about which Mahatma Gandhi was deeply interested throughout his life. Gandhi devoted a great deal of time to instilling in Indians an appreciation of the importance of sanitation and tried to rouse the Nation's consciousness on this vital issue. It is important to note Gandhi's published works devote significant attention to the cause of public sanitation, on parity with his focus on Satyagraha, Ahimsa and Khadi.

In his book “My Experiments with Truth” Gandhi writes, plague broke out in Bombay in 1897 and there was panic all around. Gandhi offered his services to the State in the sanitation department. Gandhi laid special emphasis on inspection of latrines and carrying out improvements

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India

DYPCMR College celebrated Gandhi Jayanti and Swach Bharat ABHIYAN) by cleaning the campus and surrounding area. Students,

Staff Members and Management actively took part in the cleanliness drive and take a pledge on Swach Bharat mission.
