Write-Up: "Tree Plantation Program"

DATE: 17th April 2023.

According to the environmental protection agencies, planting trees is a must if we want to save our planet. Trees not only remove harmful chemicals from the soil, but also help reduce the greenhouses leading to global warming. In Indian culture the trees have been worshipped since the Vedic era. This was the time when human and nature were in synchronization with each other, no one harming one another, Tree planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purposes, It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds.

However with the changing times human greed has taken over its greed and now environment is showing its wrath all over the globe manifesting itself in the form of global warming, floods, drought, earthquakes etc.

With an impetus to carry forward its services for the betterment of the society, DYPCMR organized Tree Plantation Drive with 40 saplings on 17th April the faculty members and students planted many trees to keep the environment clean and maintain the life's-support systems of the planet Earth.

Write-Up: "Ekta Daud"

DATE: 17th April 2023.

To raise environmental sensitivity and awareness among students about the vehicular pollution. To create awareness about global warming caused by fossil fuel burn and its impact on Indian economy. To encourage for using the bicycles and public transportation system in reducing the carbon footprints.

Environmentalists all over the world are raising concerns over the global warming and impact of motor vehicles in emission of poisonous gases. We, at the college level, are doing our own small act by no vehicle day in our premise.

The "Ekta Daud" was conducted at DYPCMR on 17th April 2023. The purpose of celebrating Ekta Daud is - To create awareness about global warming caused by fossil fuel burn and its impact on human health.

**Write –Up: “Mahatma Gandhi Jayanti and Swachh Bharat
Abhiyan”**

DATE: - 1st Oct 2022 9.30AM

Public sanitation was a subject about which Mahatma Gandhi was deeply interested throughout his life. Gandhi devoted a great deal of time to instilling in Indians an appreciation of the importance of sanitation and tried to rouse the Nation's consciousness on this vital issue. It is important to note Gandhi's published works devote significant attention to the cause of public sanitation, on parity with his focus on Satyagraha, Ahimsa and Khadi.

In his book “My Experiments with Truth” Gandhi writes, plague broke out in Bombay in 1897 and there was panic all around. Gandhi offered his services to the State in the sanitation department. Gandhi laid special emphasis on inspection of latrines and carrying out improvements

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India

DYPCMR College celebrated Gandhi Jayanti and Swach Bharat (ABHIYAN) by cleaning the campus and surrounding area. Students,

Staff Members and Management actively took part in the cleanliness drive and take a pledge on Swachh Bharat mission.
