Objectives

The survey has been conducted to understand student's satisfaction level, for the academic year 2022-23, particularly in respect of teaching learning and evaluation process.

Survey Methodology:

In order to understand student's satisfaction level, responses were collected on Likert Scale from the students of MBA (2 years program) I and II year all specialization and MCA studying in the institution. The institution has followed questionnaire with twenty-one questions designed by the NAAC, specifically for this purpose consisting twenty (20) objective questions, gauged/ measured on a scale of 4 to 0 from most positive to most negative and one (1) open ended question for providing valuable suggestions/observations. For the genuine collection of responses, ICT tool of 'Google Form ' has been implemented.

Participants:

The student satisfaction survey conducted for understanding their satisfaction level covered a total of 540 active students from I and II year all semesters of MBA (2 years program) and MCA (2 years program).

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- Teachers give their 100% while teaching.
- Best faculties with best experience
- Need to make a friendly relation with students to know more about their expectations.
- It's a best experience
- Good Staff
- Everything is Excellent. No suggestions needed.
- Soft copy of notes on time so that we have enough time to read all notes
- This institute is perfect.
- Good teaching
- Good college
- Set clear expectations with each assignment.
- No need to suggest because teaching faculty is already well educated and we'll prepared and we'll qualified.
- Should more encourage for industrial visits and field work
- Already improved
- Good Experience
- Faculty is very supportive they help each to solve any doubt and problem either it is academic or extra curriculum.
- The all materials that CLG provide is already good

Director

- Great experience for learning taken by the institute during a pandemic by taking initiative to use maximum online tools and platforms for helping us students by conducting lectures and other activities smoothly.
- Teachers are very helpful and always give good suggestion.
- Can include more practical life scenarios
- No suggestion, everything is perfect
- As our faculty is already going very nicely with all of their field, also organize more games and activities during academic is one of my suggestions
- No suggestions.
- Regular online seminars
- NA because teachers are cooperative
- None
- Should focus on practical approach more than theoretical approach.
- Teacher-Student interaction
- Institute is always supportive in terms of syllabus also personal growth
- It's always been pleasure to have a Faculty like our institute. Very Happy to learn here.
- The method of teaching of teacher is best. Every teacher is best
- Use better graphics and visual media to engage students well
- Current they are working good for student and also for institute
- Getting things done in a simple manner
- Make connections to real world stories that help to understand concepts well.
