## Green Campus Initiative Policy Document

### Introduction:-

S. M. Dr.D.Y.Patil Centre for Management & Research recognizes its responsibility to contribute to a sustainable and environmentally conscious future. As a leading educational institution, we are committed to implementing a Green Campus Initiative to reduce our ecological footprint and promote environmental stewardship. This policy outlines our commitment to adopting practices that support tree plantation, a plastic-free campus, a paperless office, and reduced energy consumption.

### 1. Tree Plantation

S. M. Dr.D.Y.Patil Centre for Management & Research will undertake tree plantation drives on and around the campus.

We will maintain a green belt within the campus with regular tree care and maintenance.

The institute will engage in tree-planting activities as part of co-curricular and extra-curricular programs, involving students, faculty, and staff.

### 2. Plastic-Free Campus

S.M.Dr.D.Y.Patil Centre for Management & Research commits to becoming a plastic-free campus.

We will phase out the use of single-use plastic on campus.

Plastic alternatives, such as biodegradable and reusable materials, will be encouraged.

Awareness campaigns will be conducted to educate the campus community about the dangers of plastic pollution and the need to reduce plastic usage.

### 3. Paperless Office

S. M. Dr.D.Y.Patil Centre for Management & Research will aim to minimize paper consumption by adopting digital technologies.

Administrative processes, record-keeping, and communication will shift to electronic formats.

Staff and faculty will be encouraged to use electronic resources for research and teaching.

● Recycling facilities for paper will be provided to ensure responsible paper waste disposal.

### 4. Energy Conservation

S.M. Dr. D. Y. Patil Centre for Management & Research is committed to reducing energy consumption.

We will implement energy-efficient practices, including the use of LED lighting, energy-efficient appliances, and better insulation.

Awareness programs will be conducted to educate the campus community on energy conservation.

● We will explore renewable energy sources for a sustainable power supply.

### Compliance and Responsibility

All members of the S. M. Dr.D.Y.Patil Centre for Management & Research community are expected to adhere to this Green Campus Initiative policy.

Department heads and administrative leaders will be responsible for ensuring policy compliance within their areas of jurisdiction.

The institute's sustainability committee will oversee the implementation and ongoing evaluation of the Green Campus Initiative.
