Notice

This is to inform all MCA II (Sem IV) students that we are conducting the Workshop on “PL/SQL & SQL”. The schedule for the workshop is mentioned below:

| <u>DATE</u> | <u>TIMING</u> |
|----------------|----------------------|
| 08th Jan, 2024 | 02:00 PM to 04:00 PM |
| 09th Jan, 2024 | 10:30 AM to 12:30 PM |
| 10th Jan, 2024 | 10:30 AM to 12:30 PM |
| 11th Jan, 2024 | 10:30 AM to 12:30 PM |

Note: All Students Attendance is Mandatory.

Workshop on PL/SQL & SQL.

Date: 08th January 2024 to 11th January 2024

Introduction:

Workshop on PL/SQL conducted for MCA students. The workshop aimed to enhance the participants' understanding and proficiency in PL/SQL, a procedural extension of SQL used in Oracle databases.

Workshop Overview:

- Date and Duration: The workshop was conducted on [08-01-24 to 11-01-24 and spanned over 2 hours Daily.
- Objectives: The primary objectives of the workshop were:
 - To introduce MCA students to the fundamentals of PL/SQL programming.
 - To provide hands-on experience in writing efficient PL/SQL code.
 - To demonstrate the practical applications of PL/SQL in database management and development.
- Topics Covered: The workshop covered a range of topics including:
 - Basic syntax and structure of PL/SQL
 - Variables, data types, and constants
 - Control structures: loops and conditional statements
 - Cursors and exception handling
 - Stored procedures, functions, and triggers
 - Advanced PL/SQL concepts such as packages and dynamic SQL.

Workshop Execution:

- Lectures and Demonstrations: The facilitators delivered interactive lectures and demonstrations to explain theoretical concepts and practical implementations.
- Hands-on Exercises: Participants engaged in hands-on exercises and coding challenges to reinforce their learning and practical skills.
- Q&A Sessions: Regular question and answer sessions were held to address participants' queries and clarify doubts.

- **Engagement and Participation:** Participants showed a high level of engagement throughout the workshop, actively participating in discussions and exercises.
- **Learning Outcomes:** Feedback from participants indicated that they gained a better understanding of PL/SQL concepts and felt more confident in writing PL/SQL code.
- **Facilitator Evaluation:** The facilitators were praised for their expertise, clarity in explanations, and their ability to make complex concepts understandable.
- **Suggestions for Improvement:** Some participants suggested incorporating more advanced topics or providing additional resources for further self-study.

Conclusion:

The PL/SQL workshop for MCA students was successful in achieving its objectives of introducing participants to PL/SQL programming and enhancing their practical skills. The hands-on approach, coupled with interactive sessions, contributed to an engaging and effective learning experience. Based on the positive feedback received, future workshops could be tailored to include more advanced topics or extend the duration to delve deeper into specific aspects of PL/SQL development. Overall, the workshop served as a valuable opportunity for MCA students to expand their knowledge and expertise in database management and development with PL/SQL.

Subject: Invitation to conduct "SAP Orientation Session"

Dear Sir

It is a great pleasure to invite you as a Resource Person for conducting a "SAP Orientation Session" on 29th Jan 2024 at 11:00 a.m. in Dr. D.Y.Patil Center for Management & Research Chikhali, Pune.

Your expertise and knowledge in the area would add a great value to the scholarly sense of one and all, especially the academia that requires the guidance and path breaking ideas to lead their way through the tough competition in the Global market on this day

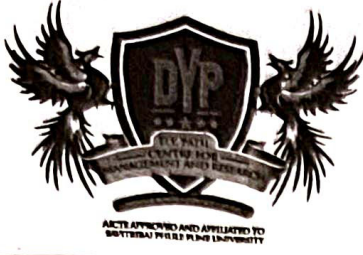

We look forward to your presence and guidance which will grace this event.

Thanking you.
Thanking you.

Yours faithfully,
Director

Introduction to SAP

Date: 29th Jan 2024

Introduction

On the 29th of January, 2024, an enlightening seminar titled "Introduction to SAP and the New World of Jobs in IT" was conducted for MCA students. The session was led by esteemed professionals Ms. Rupali Suryavanshi and Mr. Rakesh Barapatre. The seminar aimed to provide students with insights into SAP (Systems, Applications, and Products) and the evolving landscape of IT careers.

Seminar Objectives

The primary objectives of the seminar were:

- To introduce students to SAP and its applications in the business world.
- To highlight the new trends and opportunities in the IT job market.
- To provide guidance on how students can prepare for careers in SAP and IT.

Key Sessions and Highlights

1. Introduction to SAP

- **Overview of SAP:** Ms. Rupali Suryavanshi began with an introduction to SAP, explaining its history, development, and significance in the IT and business sectors.
- **SAP Modules:** An overview of the various SAP modules such as SAP ERP, SAP S/4HANA, and SAP Cloud Platform was provided. Each module's application and relevance to different business functions were discussed.
- **Benefits of SAP:** The session covered the benefits of SAP for businesses, including streamlined operations, improved data management, and enhanced decision-making capabilities.

2. The New World of Jobs in IT

- **Emerging Trends:** Mr. Rakesh Barapatre discussed the latest trends in the IT industry, including the rise of cloud computing, artificial intelligence, machine learning, and data analytics.

- **Skill Requirements:** The essential skills needed to thrive in the modern IT job market were highlighted, emphasizing the importance of continuous learning and adaptability.
- **Career Paths:** Various career paths within the IT sector, particularly those involving SAP expertise, were outlined. Roles such as SAP consultant, SAP developer, and SAP project manager were discussed.

3. Preparing for a Career in SAP and IT

- **Educational Pathways:** Guidance on the educational qualifications and certifications needed for a career in SAP was provided. Ms. Suryavanshi recommended specific SAP certification programs and training courses.
- **Practical Experience:** The importance of gaining practical experience through internships, projects, and hands-on training was emphasized. Tips on how to find and secure relevant opportunities were shared.
- **Networking and Professional Development:** Strategies for building a professional network and staying updated with industry developments were discussed. Mr. Rakesh Barapatre stressed the value of attending industry events and joining professional organizations.

Interactive Q&A Session

The seminar concluded with an interactive Q&A session, where students had the opportunity to ask specific questions related to SAP and IT careers. Both speakers provided detailed answers, drawing on their extensive industry experience. This segment was highly appreciated by the students for the personalized advice and insights it offered.

Feedback from Participants

The seminar received positive feedback from the participants. Students appreciated the comprehensive overview of SAP and the detailed discussion on IT career opportunities. The practical advice on skill development and career planning was particularly valued.

Conclusion

The seminar on "Introduction to SAP and the New World of Jobs in IT" by Ms. Rupali Suryavanshi and Mr. Rakesh Barapatre on 29th January 2024 was a great success. It provided MCA students with valuable insights into SAP and the evolving IT job market, equipping them with the knowledge and strategies needed to pursue successful careers in this dynamic field.

Subject: Invitation to Conduct Sessions on Resume Building and Soft Skills

Dear Mr. Krishna Tiwari,

Greetings from Dr. D. Y. Patil Center for Management and Research!

I hope this message finds you well. On behalf of our institution, I would like to extend a warm invitation to you to conduct a series of sessions on "Resume Building and Soft Skills" for our students. We have identified these skills as crucial for our students' professional development, and we believe that your expertise and insights will greatly benefit them.

We are looking forward to having these sessions on the 21st and 22nd of February 2024, at our campus. The sessions will be attended by students who are eager to learn and improve their professional skill set, particularly in the areas of crafting impactful resumes and mastering essential soft skills that are critical in today's competitive job market.

Your contributions in this regard will be immensely valuable to our students, and we are confident that they will gain significant knowledge and practical tips from your sessions.

Please let us know if these dates are convenient for you and any requirements you may have for conducting the sessions. We are flexible and willing to accommodate your needs to ensure a successful event.

Thank you for considering our invitation. We look forward to your positive response and the opportunity to collaborate with Coding Savvy to enhance our students' career readiness.

Warm regards,

Nilesh Rajc

Workshop on Resume Building by Mr. Krishna Tiwari at Dr. D. Y. Patil Center for Management and Research

On 21st February 2024, Dr. D. Y. Patil Center for Management and Research hosted a highly engaging and informative workshop on "Resume Building" led by Mr. Krishna Tiwari from Coding Savvy. The workshop was attended by 82 enthusiastic students eager to learn the essentials of crafting an impactful resume that stands out in today's competitive job market.

Workshop Highlights

Mr. Krishna Tiwari, a seasoned expert in career development and soft skills, began the session by emphasizing the importance of a well-structured resume as the first step towards securing job opportunities. He highlighted how a resume serves not just as a summary of one's academic and professional background but as a strategic tool to effectively communicate one's skills, experiences, and career aspirations to potential employers.

Throughout the workshop, Mr. Tiwari covered key aspects of resume building, including:

- **Understanding Resume Formats:** He explained the different types of resume formats—chronological, functional, and hybrid—and guided the students on selecting the format best suited to their career goals and experiences.
- **Crafting Compelling Content:** Mr. Tiwari shared valuable tips on how to write clear and concise content that effectively showcases achievements, skills, and relevant experiences. He emphasized the importance of using action verbs, quantifiable achievements, and tailoring the resume content to match the job description.
- **Design and Layout Tips:** He discussed the significance of a clean, professional layout and the role of design elements such as fonts, headings, and spacing in enhancing the overall readability of the resume.
- **Common Mistakes to Avoid:** Mr. Tiwari highlighted common resume pitfalls, such as grammatical errors, excessive length, and irrelevant information, providing practical advice on how to avoid them.
- **Personal Branding:** The session also touched upon the importance of personal branding and how students can align their resumes with their personal brand to create a cohesive and memorable application package.

Interactive Activities and Q&A

The workshop was highly interactive, with Mr. Tiwari incorporating live demonstrations and practical exercises that allowed students to apply the concepts learned during the session. Participants were given the opportunity to work on their resumes and receive personalized feedback, making the learning experience hands-on and directly applicable.

The session concluded with a Q&A segment, where students asked insightful questions and received expert advice on specific resume challenges they faced. Mr. Tiwari's approachable demeanor and in-depth responses helped address the varied concerns of the participants, enhancing their confidence in their resume-building skills.

Feedback and Impact

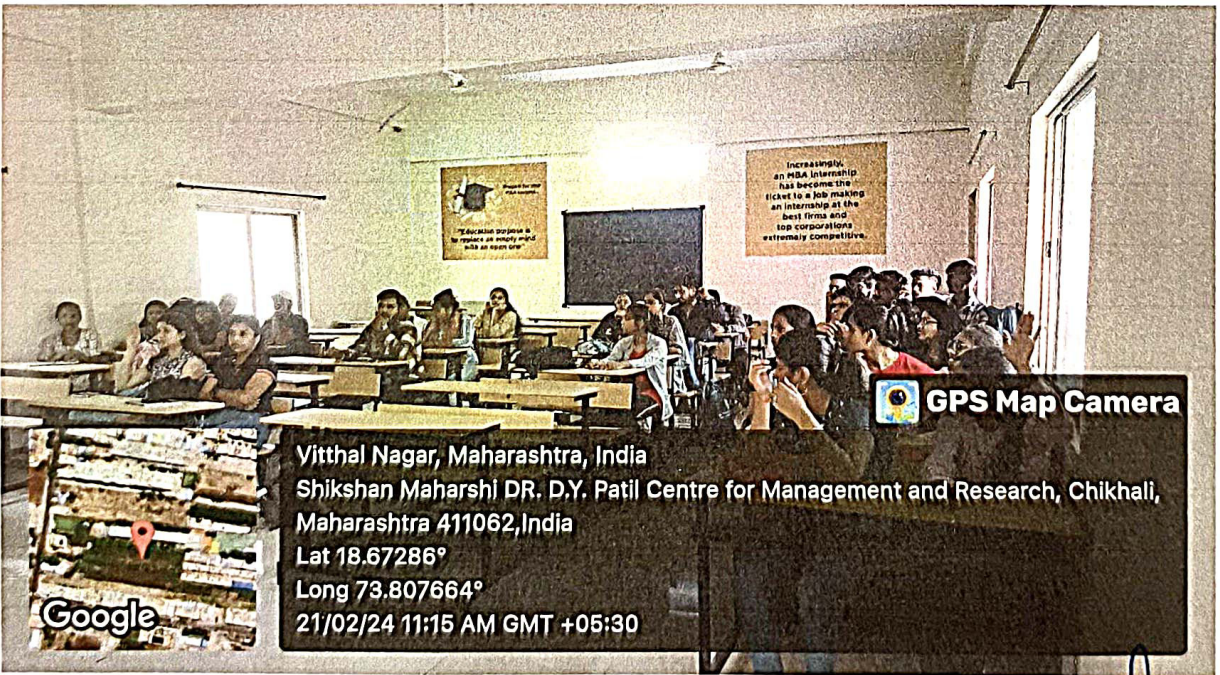

The workshop received overwhelmingly positive feedback from the attendees, who appreciated the practical insights and actionable tips shared by Mr. Tiwari. Students expressed that the session was not only educational but also inspiring, providing them with the tools and knowledge needed to present their best selves to future employers.

Conclusion

The Resume Building workshop by Mr. Krishna Tiwari was a significant learning experience for the students of Dr. D. Y. Patil Center for Management and Research. It equipped them with the essential skills to craft professional resumes that effectively highlight their strengths and align with their career objectives. We extend our sincere thanks to Mr. Tiwari for his valuable contribution and look forward to more such impactful sessions in the future.

Subject: Thank You for Conducting Sessions on Resume Building and Soft Skills

Dear Mr. Krishna Tiwari,

On behalf of Dr. D. Y. Patil Center for Management and Research, I would like to express our heartfelt gratitude for conducting the sessions on "Resume Building and Soft Skills" on the 21st and 22nd of February 2024. Your expertise, engaging presentation, and practical insights made the sessions highly informative and impactful for our students.

Your ability to connect with the students and provide them with valuable guidance on crafting effective resumes and developing essential soft skills was truly commendable. The feedback from the participants has been overwhelmingly positive, and many have expressed how beneficial the sessions were in enhancing their understanding of these critical areas.

We deeply appreciate your time, effort, and willingness to share your knowledge with our students. Your contribution has undoubtedly made a significant impact on their professional development journey, equipping them with the tools and confidence needed to excel in their careers.

Once again, thank you for your valuable contribution. We look forward to the possibility of collaborating with you and Coding Savvy in the future for more such enriching sessions.

Best regards,

Workshop on Cyber Security

Date: 23rd February 2024

Introduction:

Cybersecurity is an increasingly crucial aspect of our digital lives, encompassing strategies, technologies, and practices aimed at protecting our digital assets from various threats. Recognizing the importance of cybersecurity awareness, an interactive session was conducted to educate participants about the fundamentals of cybersecurity and empower them with essential knowledge to navigate the digital landscape safely.

Objectives:

- To raise awareness about common cyber threats and vulnerabilities.
- To provide practical tips and best practices for enhancing cybersecurity.
- To foster a culture of vigilance and responsibility towards digital security.

Session Overview:

1. Understanding Cyber Threats:

The session commenced with an overview of common cyber threats such as malware, phishing, ransomware, and social engineering attacks. Participants were briefed on how these threats operate and the potential consequences of falling victim to them. Real-life examples and case studies were shared to illustrate the impact of cyber attacks on individuals and organizations.

2. Importance of Strong Passwords:

A significant portion of the session was dedicated to emphasizing the importance of strong, unique passwords for securing online accounts. Participants learned about password best practices, including the use of complex combinations of letters, numbers, and special characters, as well as the importance of regularly updating passwords and avoiding password reuse across multiple accounts.

3. Secure Internet Practices:

Participants were educated on safe internet browsing habits and the significance of securing their home networks. Topics covered included the importance of using secure Wi-Fi connections, avoiding public Wi-Fi for sensitive transactions, and enabling firewalls and antivirus software to mitigate the risk of cyber threats.

4. Social Engineering Awareness:

The session highlighted the tactics employed by cybercriminals in social engineering attacks to manipulate individuals into divulging sensitive information or performing actions that compromise security. Participants were educated on how to recognize and respond to social engineering attempts, such as unsolicited requests for personal information or urgent demands for financial transactions.

5. Data Privacy and Protection:

The importance of data privacy and protection was emphasized, with participants learning about the significance of safeguarding personal and sensitive information online. Best practices for data encryption, secure file storage, and data backup strategies were discussed to minimize the risk of data breaches and loss.

Conclusion:

The awareness session on cybersecurity served as a valuable opportunity to equip participants with essential knowledge and skills to protect themselves against evolving cyber threats. By fostering a culture of awareness and proactive cybersecurity practices, participants are empowered to navigate the digital world securely and contribute to a safer online environment for themselves and their communities. Ongoing efforts to stay informed and vigilant will be crucial in the face of ever-evolving cyber threats.

Stress Management and Complete Wellness with Meditation

Date: 26th February 2024

On 26th February 2024, Dr. D. Y. Patil Centre for Management and Research hosted a seminar on stress management and complete wellness with a focus on meditation, facilitated by Sachin Ilhe. The session aimed to equip participants with practical techniques to cope with stress, enhance overall well-being, and incorporate meditation into their daily routines. This report provides an overview of the event, key discussions, outcomes, and recommendations.

Introduction:

In today's fast-paced world, stress has become a significant concern affecting individuals across various domains, including academia, professional life, and personal relationships. Recognizing the importance of managing stress and fostering complete wellness, the seminar aimed to educate participants on effective strategies, particularly emphasizing the role of meditation.

Event Overview:

The seminar commenced with an introduction to stress and its impact on physical, mental, and emotional health. Sachin Ilhe, the esteemed facilitator, provided insights into the physiological responses to stress and the detrimental effects of chronic stress on overall well-being.

The session progressed with an exploration of various stress management techniques, including mindfulness, deep breathing exercises, and cognitive-behavioral strategies. Participants engaged in interactive discussions, sharing personal experiences and insights into coping mechanisms.

Key Discussions:

Understanding Stress: Participants gained a deeper understanding of stress triggers, both internal and external, and learned to identify early signs of stress manifestation.

Meditation and Mindfulness: The significance of meditation as a tool for stress reduction and promoting mental clarity was emphasized. Techniques such as guided meditation, body scan, and focused breathing were introduced and practiced.

work-life balance: The seminar highlighted the importance of achieving a balance between professional commitments and personal well-being. Strategies for time management and boundary setting were discussed to foster a harmonious lifestyle. Self-Care Practices: Participants were encouraged to prioritize self-care activities, including adequate sleep, nutrition, and regular exercise, as essential components of holistic wellness.

Outcomes:

The seminar yielded several positive outcomes:

- Increased awareness of stress management techniques.
- Enhanced understanding of the benefits of meditation and mindfulness.
- Empowerment to prioritize self-care and well-being.
- Development of practical skills to cope with daily stressors.
- Strengthened sense of community and support among participants.

Recommendations:

Continued Education: Organize follow-up workshops or webinars to delve deeper into specific aspects of stress management and meditation practice.

Integration into Curriculum: Incorporate stress management and wellness modules into academic curricula to equip students with essential life skills.

Ongoing Support: Establish support groups or peer networks to facilitate ongoing discussions and mutual support in managing stress and promoting well-being.

Evaluation and Feedback: Collect feedback from participants to assess the effectiveness of the seminar and identify areas for improvement in future sessions.

Conclusion:

The seminar on stress management and complete wellness with meditation facilitated by Sachin Ilhe at Dr. D. Y. Patil Centre for Management and Research was a resounding success, fostering greater awareness and equipping participants with practical tools to enhance their overall well-being. By prioritizing stress management and incorporating meditation into daily routines, individuals can cultivate resilience, improve mental health, and lead fulfilling lives.

Write –Up: “Workshop on Financial Literacy”

DATE: - 6th April 2024 at 11 AM

Workshop on Financial Literacy conducted by Mr. Kunal Wakte, on 6th April 2024 at 11 AM . Financial literacy is the cognitive understanding of financial components and skills such as budgeting, investing, borrowing, taxation, and personal financial management. The absence of such skills is referred to as being financially illiterate.

Benefits of Financial Literacy

Financial literacy focuses on the ability to manage personal finance effectively, which requires experience of making appropriate personal finance choices, such as savings, insurance, real estate, college payments, budgeting, retirement and tax planning.

Those who understand finances should be able to answer questions concerning transactions, such as whether an item is required, whether it is accessible, and whether it is an asset or a liability.

This field illustrates a person's habits and perceptions towards money related to his or her daily life. The financial literacy demonstrates how an adult makes financial decisions. This expertise will help an individual build a financial road map to define their income, their expenses, and their liabilities. This subject also affects small business owners, who contribute significantly to economic growth and stability.

The analphabetism in financial matters affects both ages and socioeconomic classes. Financial analphabetism leads many borrowers to become victims of predatory loans, subprime mortgages, fraud, and high interest rates, potentially leading to bad loans, bankruptcies, or foreclosures.

This session was very interactive and student get lot of knowledge of Financial Literacy.

Workshop on Intra Day Trading.

Date: 08th April 2024

Introduction:

Mr. Lokesh Bora is the Alumni Entrepreneur of our college. He has explained about Intraday trading and Forex trading are two prominent forms of speculative trading in financial markets. While both involve buying and selling financial instruments within a single trading day, they operate in different markets and have distinct characteristics. This report aims to provide an overview of both forms of trading, highlighting their similarities, differences, strategies, risks, and potential rewards.

Intraday Trading:

Intraday trading, also known as day trading, refers to the practice of buying and selling financial instruments such as stocks, commodities, or derivatives within the same trading day. Intraday traders aim to profit from short-term price fluctuations, exploiting small price movements for quick gains.

Characteristics of Intraday Trading:

Short-Term Focus: Intraday traders focus on short-term price movements, often holding positions for minutes or hours rather than days or weeks.

Leverage: Intraday traders often use leverage to amplify their trading positions, which can lead to higher potential profits but also increased risk.

High Frequency: Intraday traders execute numerous trades throughout the trading day, taking advantage of small price movements in various markets.

Strategies in Intraday Trading:

Scalping: Scalping involves making small profits from numerous trades throughout the day, capitalizing on small price movements.

Day Trading: Day traders aim to profit from intraday trends, entering and exiting positions within the same trading day.

Momentum Trading: Momentum traders focus on stocks or assets experiencing strong upward or downward trends, aiming to ride the momentum for short-term gains.

Risks of Intraday Trading:

Volatility Risk: Intraday trading is susceptible to market volatility, which can lead to rapid price movements and increased risk of losses.

Leverage Risk: Using leverage can amplify both profits and losses, leading to significant financial risk if not managed properly.

Time Constraints: Intraday traders must make quick decisions within the limited timeframe of a single trading day, which can increase stress and emotional trading.

Forex Trading:

Forex trading, or foreign exchange trading, involves buying and selling currencies on the foreign exchange market. Participants in the forex market include banks, financial institutions, corporations, governments, and individual traders.

Characteristics of Forex Trading:

High Liquidity: The forex market is the most liquid financial market globally, with trillions of dollars traded daily, offering ample opportunities for traders to enter and exit positions.

24-Hour Market: Unlike stock markets, the forex market operates 24 hours a day, five days a week, allowing traders to participate in trading activities at any time.

Leverage: Similar to intraday trading, forex trading often involves the use of leverage, allowing traders to control large positions with a relatively small amount of capital.

Strategies in Forex Trading:

Trend Trading: Trend traders aim to identify and capitalize on long-term trends in currency pairs, entering positions in the direction of the prevailing trend.

Range Trading: Range traders seek to profit from currency pairs that are trading within a specific price range, buying at support levels and selling at resistance levels.

Carry Trade: Carry traders take advantage of interest rate differentials between currencies, borrowing funds in a low-interest-rate currency and investing in a higher-yielding currency.

Risks of Forex Trading:

Market Risk: Forex trading is subject to market risk, including volatility, geopolitical events, and economic indicators that can impact currency prices.

Leverage Risk: The use of leverage in forex trading can magnify both profits and losses, increasing the risk of significant financial loss if trades move against the trader.

Counterparty Risk: Forex trading often takes place over-the-counter (OTC), exposing traders to counterparty risk, including the risk of broker insolvency or default.

Conclusion:

Intraday trading and Forex trading are both popular forms of speculative trading, each offering unique opportunities and challenges. While both involve short-term trading strategies and the potential for high returns, they operate in different markets with distinct characteristics. Successful trading in both markets requires a solid understanding of market dynamics, effective risk management strategies, and disciplined trading practices. Traders should carefully assess their risk tolerance and financial objectives before engaging in either form of trading.
