CERTIFICATE

BACKUP ELECTRIC SUPPLY (DG SET)

This is to certify that I have inspected and verified the backup electric supply arrangement provided at Shikshan Maharshi Dr. D. Y. Patil Centre for Management and Research, located at Gat No. 1029, 1030 & 1031, Newale Wasti, Chikhali, Pune – 411062.

It is observed that the institution is provided with a 35 kVA, 3-Phase Diesel Generator Set with acoustic enclosure, installed on a proper base frame with anti-vibration arrangements. The DG set is equipped with AMF control panel and necessary safety accessories and is compliant with applicable CPCB norms.

The DG set provides adequate and reliable backup power supply to meet the institutional requirements.

Based on the above, it is certified that the backup electric supply system is adequate, safe, and satisfactory.
