Provision to Watch MOOCs Courses through SWAYAM

As per the All India Council for Technical Education (AICTE) guidelines on Blended Learning, Online Learning, and Credit Framework for MOOCs, the institution has made adequate provisions to enable students and faculty members to enroll in and complete MOOCs courses offered through the SWAYAM platform (Study Webs of Active-Learning for Young Aspiring Minds), an initiative of the Government of India.

Institutional Provisions

- The institution ensures availability of high-speed internet connectivity across the campus to support online learning.
- Internet-enabled computers are provided in the college library and computer laboratories for accessing SWAYAM MOOCs.
- Students and faculty members are informed and guided to register on the official SWAYAM portal (www.swayam.gov.in).
- Faculty mentors and course coordinators assist students in identifying SWAYAM courses relevant to their programme and curriculum.
- The institution motivates students to complete MOOCs and appear for the SWAYAM proctored certification examinations as per AICTE norms.
- Provisions are made for credit transfer of SWAYAM MOOCs courses, subject to approval of the affiliating university and compliance with AICTE regulations.
- The institution creates awareness about SWAYAM Prabha DTH channels as an alternative learning resource for students.

Monitoring and Compliance

The progress of students enrolled in SWAYAM MOOCs is monitored by faculty mentors. Records of enrollment, course completion, certificates, and credit transfer are maintained as documentary evidence for AICTE compliance and quality assurance.

Outcome

This provision enhances self-learning, blended learning, and skill development among students and supports the institution's commitment to quality education in accordance with AICTE Essential Requirements.
