## About DYPCMR

Dr. D. Y. Patil Centre for Management and Research campus is located in the proximity of industrial belt and provides a conducive atmosphere for learning. The campus has abundant full-time/visiting faculty members, rich library, a temple, a gymnasium, a cafeteria, and a grooming centre for both men and women providing a stimulating and enabling environment.

## BBA & BCA Program

### Key Features

- 3 years undergraduate program to earn a bachelors degree
- 4 years undergraduate integrated program to earn an Honours with Research and Multidisciplinary Minors
- Direct admission into the second year of MBA & MCA program (Lateral Entry) after an Honours Degree (Integrated Course)

**\*BBA** The Bachelor of Business Administration (BBA) is an undergraduate degree that provides a strong foundation in business and management. It covers subjects like finance, marketing, human resources, operations, and entrepreneurship. The program helps students develop leadership, critical thinking, and decision-making skills. BBA is a versatile and widely recognized degree that offers many career opportunities and a strong base for higher studies or entrepreneurship.

BBA Program Intake **60**

**\*BCA** The Bachelor of Computer Applications (BCA) is an undergraduate degree that provides a strong foundation in computer science and information technology. It covers subjects like programming, database management, networking, software development, and web technologies. The program helps students develop problem-solving, analytical, and technical skills. BCA is a versatile and widely recognized degree that offers many career opportunities in the IT sector and provides a strong base for higher studies like MCA or other advanced programs.

BCA Program Intake **60**
